BAY WILKES,

A worthy son of the mighty George Wilkes, the greatest sire the world has ever known, having over seventy (70) with records from 2:13 to 2:30, and in the stud only nine years. Bay Wilkes never made a season in the stud until the fall of 1885; hence, his oldest colts are but 3 years old, and all of them are show-ing wonderful action and speed. A few of his colts, last season, trotted in from 2:34½ to 2:45, when less than three years old. They are nearly all Bays, are large, rangy fellows; no "outs" about them, as they are all sound.

BAY WILKES is regarded as one of the very best som of the great George Wilkes. Bay Wilkes is as good a sire as stands in Michigan, and will make one more season (1990) at the low price of \$25.00. Mares not proving in foal in 1890 can be returned free in 1891. Will stand in Paw Paw. No horse has ever stood in Michigan that can show a better lot of coits than Bay Wilkes can and as soon as his colts are than Bay Wilkes can, and as soon as his colts are old enough and commence to drop into the '30 class, his service fee will not be less than from \$100 to \$200, and this will not be later than 1891. You saw him trot at our Fair last fall a race every day, winning them all without making an effort and getting a record of 2:41, and showed, on our track, better than 2:28 in his three-year-old form. I place him, before fall, to trot as fast as any stallion in the State. I will allow him to serve a few mares at \$25.00 the season (1890). Mares not proving in foal can be returned free in 1891. After June 18th he will see into training, and you will see him trot in 2:20 or better this year.
